Teach Us To Pray: Our Daily Bread

Main Idea: Our daily bread is not just about survival; it’s about trusting God to provide what we need to fulfill His purpose each day.

Primary Scripture: Luke 11:3

Opening

As we explore the concept of daily bread in our lives, let's consider the balance between our needs and God's purpose. This week, we dive into how dependence on God shapes our daily journey.

- What comes to mind when you hear the phrase 'daily bread'?

Read

Read Luke 11:3 together.

Observe

- What does the phrase 'Give us each day our daily bread' suggest about how we should view our daily needs?
- How does the story of manna in the wilderness relate to our understanding of daily provision?

Understand

- Why do you think Jesus teaches us to ask for daily bread rather than abundance for the future?
- In what ways does understanding God as a provider impact our daily lives and decisions?

Apply

- How can we demonstrate trust in God’s daily provision in our lives this week?
- What talents or resources has God placed in your hands that could help someone else?
- What specific action can you take this week to ensure you are spending God's provision on His purpose?

This Week

This week, start each day by praying, 'Father, give us each day our daily bread' to focus your heart on dependence and purpose.

Prayer

Ask God to reveal to you how He is providing for your daily needs and how you can use those provisions for His glory.

Leader Note

Encourage participants to think of practical ways to apply their learning in everyday situations. Remind them that prayer is a conversation, inviting God into the details of their lives.
